STUDENT REGISTRATION INFORMATION

2017-2018

The questions asked in the following pages will enable us to determine your child's eligibility to attend school in this district in accordance with New Jersey law. Please be aware that N.J.S.A. 18A:38-1 and N.J.A.C. 6A:28-2 specify that a free public education will be provided to any student between the ages of 5 and 20 who is:

- 1 Domiciled in the district, i.e., living with a parent or guardian whose permanent home is located within the district? A home is permanent when the parent or guardian intends to return to it when absent and has no present intent of moving from it, notwithstanding the existence of homes or residences elsewhere.
- 2 Living with a person, other than the parent or guardian, who is domiciled in the district and is supporting the student without compensation, as if the student were his or her own child, because the parent cannot support the child due to family or economic hardship. (Hardship must be proven)
- 3 Living with a person domiciled in the district, other than the parent or guardian, where the parent/guardian is a member of the New Jersey National Guard or the reserve component of the U.S. armed forces and has been ordered into active military service in the U.S. armed forces in time of war or national emergency. (Proof must be provided)
- 4 Living with a parent or guardian who is temporary residing in the district.
- 5 The child of a parent or guardian who moves to another district as the result of being homeless.
- 6 Placed in the home of a district resident by court order pursuant to N.J.S.A. 18A:38-2.
- 7 The child of a parent or guardian who previously resided in the district but is a member of the New Jersey National Guard or the United States reserves and has been ordered to active service in time of war or national emergency pursuant to N.J.S.A. 18A:38-3(b)
- 8 Residing on federal property within the State pursuant to N.J.S.A. 18A:38-7.7 et seq.

Note that the following do NOT affect a student's eligibility to enroll in school:

- 1 Physical condition of housing or compliance with local housing ordinances or terms of lease.
- 2 Immigration/visa status, except for students holding or seeking a visa (F-1) issued specifically for the purpose of limited study on a tuition basis in a United States public secondary school.
- 3 Absence of a certified copy of birth certificate or other proof of a student's identity, although these must be provided within 30 days of initial enrollment (**for registrants that register after 8/18/17**); all other applicants ***MUST*** be completed at the time of registration pursuant to N.J.S.A. 18A: 36-25.1.
- 4 Absence of student medical information, although actual attendance at school will be deferred as necessary in compliance with rules regarding immunization of students, N.J.A.C. 8:57-4.1 et seq.
- 5 Absence of student's prior educational record, although the initial educational placement of the student may be subject to revision upon receipt of records or further assessment by the district.

The following forms of documentation may demonstrate a child's eligibility for enrollment in the district. Particular documentation necessary to demonstrate eligibility under specific provisions of the law will be indicated in the appropriate section of the registration form.

- 1 Current property tax bill, contracts of sale, current notarized leases, mortgages, notarized landlord affidavits and other evidence of property ownership, tenancy or residency.
- 2 Voter registration, licenses, permits, financial account information, utility bills, delivery receipts, and other evidence of personal attachment to a particular location.
- 3 Court orders, state agency agreements and other evidence of court or agency placements or directives.
- 4 Receipts, bills, cancelled checks and other evidence of expenditures demonstrating personal attachment to a particular location, or, where applicable, to support of the student.
- 5 Medical reports, counselor or social worker assessments, employment documents, benefits statements, and other evidence of circumstances demonstrating, where applicable, family or economic hardship, or temporary residency.
- 6 Affidavits, certifications and sworn attestations pertaining to statutory criteria for school attendance, from the parent, legal guardian, person keeping an "affidavit student," adult student, person(s) with a family is living, or others, as appropriate.
- 7 Documents pertaining to military status and assignment.
- 8 Any business record or document issued by a governmental entity.
- 9 Any other form of documentation relevant to demonstrating entitlement to attend school.

The totality of information and documentation you offer will be considered in evaluating an application, and, unless expressly required by law, the student will not be denied enrollment based on your inability to provide certain form(s) of documentation where other acceptable evidence is presented.

You will not be asked for any information or document protected from disclosure by law, or pertaining to criteria which are not legitimate bases for determining eligibility to attend school. You may voluntarily disclose any document or information you believe will help establish that the student meets the requirements of law for entitlement to attend school in the district, but we may not, directly or indirectly, require or request:

- 1 Income tax returns; **Social Security numbers**;
- 2 Documentation or information relating to citizenship or immigration/visa status, unless the student holds or is applying for an F-1 visa;
- 3 Documentation or information relating to compliance with local housing ordinances or conditions of tenancy.

Please be aware that any initial determination of the student's eligibility to attend school in this district is subject to more thorough review and subsequent re-evaluation, and that tuition may be assessed in the event that an initially admitted student is later found ineligible. If your child is found ineligible, now or later, you will be provided the reasons for our decision and instructions on how to appeal. Also, any and all persons who give fraudulent information for the purpose of attending school will be prosecuted to the fullest extent of the law as per a Bloomfield Municipal Ordinance (enclosed copy).

Residency checks are completed on students on a regular basis and may be conducted as early as 6:00AM. Bloomfield residency officers will identify themselves and carry photoID.

Immunization of Pupils

Dear Parents/Guardians:

Chapter 14, State Sanitary Code, Effective September 1, 1975 and revised with amendments, requires that all New Jersey pupils be immunized as per the attached immunization chart.

Proof that your child has complied with the above requirements may be obtained by having the attached form, (Certificate of Immunization), completed by your physician, a public health officer, or a school nurse from your former school district.

(Students entering Kindergarten and Pre-K must submit data using the district's immunization form, completed and signed by a physician)

The school district will accept one of the following documents as an exception to the attached immunization chart:

1. Pupils presenting a signed physician's certificate stating that the above immunizations are medically contraindicated.
2. Pupils presenting religious exemption per parental/guardian request.
3. Pupils presenting a signed statement that the immunizations are in progress and that the pupil is in the process of complying with the above: The pupil must have received the first dose of each required immunization series to begin school

Those is entering a school system in the U.S. for the first time, if born in a high TB incidence country and those transferring to the New Jersey school system directly from a high TB incidence country, must have a Mantoux tuberculin skin test. All other students are exempt from tuberculin skin testing as a requirement for school entry in New Jersey.

Q: What are the minimally required vaccines for school entry in New Jersey?

A: Refer to <http://nj.gov/health/forms/imm-7.pdf> for a copy of the document, 'MINIMAL IMMUNIZATION REQUIREMENTS FOR SCHOOL ATTENDANCE IN NEW JERSEY'

2008 Amended Immunization Requirements

The New Jersey Department of Health and Senior Services (DHSS) has recently revised the administrative rules N.J.A.C. 8:57-4 with substantive changes to include the requirement of four new vaccines for school, preschool and licensed child-care center attendance beginning in September 2008. We encourage both private and Vaccines For Children (VFC) Program providers who provide care to commercially insured children to order enough vaccine to meet the higher demand anticipated due to the new vaccine requirements.

The rule changes include a four day grace period for all childhood vaccines which became effective on January 7, 2008. These changes were formally adopted by the New Jersey Public Health Council on October 9, 2007 and published in the New Jersey Register on January 7, 2008. The amended regulations in N.J.A.C. 8:57-4 state the following:

8:57-4.10 Diphtheria and tetanus toxoids and pertussis vaccine

(h) every child born on or after January 1, 1997, and entering or attending Grade Six, or a comparable age level special education program with an unassigned grade on or after September 1, 2008 shall have received one dose of Tdap (Tetanus, diphtheria, acellular pertussis) given no earlier than the 10th birthday.

(i) Children entering or attending Grade Six on or after September 1, 2008, who received a Td booster does less than five years prior to entry or attendance shall not be required to receive a Tdap dose until five years have elapsed from the last DTP/DtaP or Td dose.

(j) Children born on or after January 1, 1997, and transferring into a New Jersey school from another state or country after September 1, 2008 shall have received one dose of Tdap, provided at least five years have elapsed from the last documented Td dose.

8:57-4.18 Pneumococcal conjugate vaccine

- (a) Every child two months through 11 months of age enrolling in or attending any licensed child-care center or preschool facility on or after September 1, 2008, shall have received a minimum of two age-appropriate doses of pneumococcal conjugate vaccine (PCV), or fewer as medically appropriate for the child's age according to the ACIP recommendations.
- (b) Every child 12 months through 59 months of age enrolling in or attending a licensed child-care center or preschool facility on or after September 1, 2008, shall have received at least one dose of PCV on or after their first birthday.

8:57-4.19 Influenza vaccine

Children six months through 59 months of age attending any licensed child-care center or preschool facility on or after September 1, 2008, shall annually receive at least one dose of influenza vaccine between September 1 and December 31 of each year.

Per the New Jersey Department of Health and Senior Services:

"There will be no grace period for unvaccinated children. Students who have not received the influenza vaccine by December 31 must be excluded from the childcare/preschool facility for the duration of the influenza season (through March 31st), until they receive at least one dose of the influenza vaccine, or until they turn 60 months of age."

8:57-4.20 Meningococcal vaccine

(a) Every child born on or after January 1, 1997, and entering or attending Grade Six or a comparable age level special education program with an unassigned grade on or after September 1, 2008, shall have received one dose of a meningococcal-containing vaccine, such as the medically-preferred meningococcal conjugate vaccine.

*Please Note: This applies to students when they turn 11 years of age and attending grade Six.

(b) Every child born on or after January 1, 1997, and transferring into a New Jersey school from another state or country on or after September 1, 2008, shall have received one dose of meningococcal vaccine.

8:57-4.23 Optimal immunization recommendations – 4 Day Grace Period

(c) All vaccine doses included within, and mandated by, this subchapter that are administered less than or equal to four days before either the specified product label minimum age or dose spacing interval shall be counted as valid and shall not require revaccination in order to enter or remain in a school, preschool, or licensed child-care facility. Schools are encouraged to send a notice home to parents informing them of the new requirements to assure compliance at the beginning of the 2013-2014 school year.
